SONGS FROM THE SHOWS

The musical programme will be directed by Wilson Shields, and will include music from a selection of well known West End shows, including Les Miserables, Miss Saigon, Chess, Mary Poppins, The Lion King, Calamity Jane, My Fair Lady, The Merry Widow, in addition to favourites from The Beatles, Abba and The Jersey Boys.

The Lyric Opera Company was founded in 1948 as an amateur operatic society in Belfast, which changed in 2002 to the New Lyric Operatic Company. Over the years, the company has enjoyed success in competing against the other amateur operatic societies in Ireland.

From its inception, the New Lyric has never failed to present at least one production each year. Even at the height of the troubles here in Northern Ireland the New Lyric continued to present either a show, or a concert version of Songs from the Shows.
