It's an ode to a city. Standing tall in Bedford

AN ODE TO A CITY

An aerial night view of Belfast, Northern Ireland, showcasing a dense urban landscape. The city is illuminated with warm yellow and orange lights from buildings and streets. A prominent feature is a large, glowing geodesic dome structure in the center. The sky is dark with some light clouds, and the overall atmosphere is vibrant and modern.

The New Grand Central
2018

This Grand Central is the second of its kind; a contemporary reincarnation of a Victorian hotel with the same name that glimmered on Royal Avenue from 1893 to the 1970s. The modern equivalent - beautifully simple, simply beautiful, on every sublime level. Inside grandeur meets glamour, historic stories inspire contemporary design and luxury is elevated by local authenticity. This hotel is truly something to behold; a new jewel for Belfast, with an old soul.

A WARM WELCOME

The Grand Central is the seventh hotel in the Hastings Hotels Collection. This new city centre jewel joins the esteemed ranks alongside its neighbour, the legendary Europa Hotel, the magnificent five star Culloden Estate and Spa in Holywood and the contemporary Stormont Hotel in the east of the city.

Beyond Belfast, there is the stunning Slieve Donard Resort and Spa – nestled at the foot of the epic Mourne Mountains, next to the world famous Royal County Down Golf Course –

and the luxurious Everglades Hotel in Derry-Londonderry, Northern Ireland's second city. The Ballygally Castle sits proudly on the spectacular Antrim Coast – a historic wonder and the perfect base for a Game of Thrones Tour.

Wherever you venture in this part of the world, there's a stunning Hastings Hotel nearby for you to visit, dream and dine in. Step inside to discover the true meaning of Irish hospitality and enjoy the warmest of welcomes...
