Your Wedding

Couple's Names: Niamh McCafferty and Conor Hannigan

Venue: Slieve Donard Resort and Spa

Wedding Date: 9th March 2018

Conor (28) and Niamh (28) met as students in Belfast. Niamh is a Pharmacist from Belfast (the County Down side) and Conor is a Structural Engineer from Omagh.

Conor popped the question in New York City during a romantic stroll on the Brooklyn Bridge as the sun was setting over lower Manhattan and the couple chose Niamh's engagement ring in Tiffany's, Fifth Avenue the next day.

The couple visited a number of potential wedding venues but on visiting the Slieve Donard Resort and Spa Conor and Niamh knew that this was the perfect venue for their big day.

Did you follow any wedding trends or have any specific themes for the big day?

As big fans of GAA, the couple named their tables after clubs and counties that mattered to them. Conor and Niamh selected a team captain for each table and devised a special quiz with 10 questions about the couple, which really upped the entertainment and laughter on the day. Friends who knew Niamh and Conor best were treated to a drinks kitty for their table and the couple added that the winning team is still a source on contention.

How did the day go?

Conor and Niamh described their wedding day as being absolutely perfect – the most gorgeous warm sunny day in March, especially after a week of snow, storms and bridesmaids stranded in the Middle East because Dublin airport was covered in snow!

What were the highlights of your day?

Conor: Walking down the aisle with my new wife to greet our friends and family. Our first dance because then it was time for us to chill out and really enjoy ourselves, all the formalities were finished. The food in the Slieve Donard was also definitely up there as well!

Niamh: When I made it up the aisle safely, to see Conor at the top and to have a minute to take everything in, that had already happened and was about to happen. Also to see all our closest friends and family enjoying themselves, whether it was sharing in our emotion or going crazy on the dance floor!
