Afternoon Tea

MENU

Afternoon Tea

A ceremony created by a yesteryear high society Duchess. Anna Maria Russell, Queen Victoria's Lady of the Bedchamber, turned afternoon tea into an occasion. An indoor picnic – laced with china cups, chitchat, sweet treats and scandal – to banish 'that sinking feeling' between lunch and dinner.

At the Slieve Donard, we aim not only to satisfy the needs of our guests but exceed them!

So it is only fitting that we serve traditional Afternoon Tea in our magnificent Oak Restaurant that dates back to 1898 when the Slieve Donard first opened as a luxurious Railway Hotel.

We hope you enjoy your time with us.

Tea and Coffee Selection

Of course, no Afternoon Tea would be complete without the tea itself, and we are happy to offer a select range of Northern Irish teas from the multi award winning Thompson family.

Served from our exclusive Tea Trolley, we have a wonderful blend of Assam and Kenya's finest teas, selected specially for Hastings Hotels and blended in Belfast by Thompson's Teas to create the perfect combination of flavour and Bouquet. We also have an extensive selection of speciality, fruit and herbal teas.

For our coffee, we have partnered with one of Ireland's leading coffee specialists, UCC, to create the best possible coffee experience for our guests. Our Grand Café blend is specially roasted in County Antrim, exclusively for Hastings Hotels.
