

# HASTINGS HOTELS RESPONSIBLE VISITOR CHARTER

At Hastings Hotels we recognise that we have a responsibility to our People, Planet and Profit, & we are committed to working towards a sustainable future for all.

We ask our guests to assist us in achieving our goals. Here are some suggestions as to how you can help.

## **REDUCE, REUSE, RECYCLE, JUST LIKE YOU WOULD AT HOME**

- Hang up your towel in the bathroom to reuse, rather than requesting fresh towels every day.
- Recycle any waste using the appropriate bins provided.
- We have also provided you with a Hastings Hydration fully recyclable water container. Please feel free to refill your water bottles.

## **ENERGY CONSERVATION IN YOUR BEDROOM**

- Switch off lights and air conditioning when you leave the room.
- Whilst in your room please keep windows closed if you are using your air conditioning.
- Turn off your TV at the switch when you are not watching anything.
- Use the stairs instead of lifts. It's a great way of getting your steps up for the day.

## **REDUCE YOUR WATER USAGE**

- Have a shower instead of the bath.
- Turn off the tap when you are brushing your teeth until you are ready to rinse.
- When taking a shower or shaving use water conservatively.
- Only fill your kettle for the water you need.

## **SHOP LOCAL**

At Hastings Hotels we are passionate about food. That is why we are committed to using only the freshest locally sourced ingredients. All our Beef, Chicken, Pork and Lamb (in season) comes from the island of Ireland, our Vegetables are from local growers, wherever possible, and in our baking we strive to avoid using preservatives, or additives where we can.

We ask you to please do the same, use local products, shop local and support local producers & businesses.
